

Cranberry Estates

Mail Box Post – “Top Band” Dimensions

Note: this does not apply to Autumn Forest section.

Autumn Forest has 2 grooves in their post top.

Length = if $\frac{3}{4}$ " thick material = 7" long (PVC or MIRATEC – long term life)
= if $\frac{7}{8}$ " thick material = 7 $\frac{1}{4}$ " long (rough-sawn pine – short term life)

Width = 3" wide

Now, the dimensions below are how the **ends**, of the above piece need to be cut to replicate the original design. You will need to cut 4 pieces like this if replacing all 4 sides. Or as many as needed.
